

DUCK ISLAND

LIFE'S LITTLE LUXURY

A LITTLE LUXURY
MAKES A BIG IMPRESSION

INSPIRED BY THE MAGNIFICENT
PELICANS GIFTED TO KING
CHARLES II IN 1664, DUCK ISLAND
IS EMBLEMATIC OF AUTHENTIC
LUXURY. EXQUISITE FRAGRANCES
THAT INDULGE THE SENSES AND
PROVIDE AN ENCHANTING RETREAT
FROM EVERYDAY LIFE.

INDULGE YOUR GUESTS WITH THE ROYAL TREATMENT

Duck Island's inspiration comes from an island of the same name, long since disappeared. It formed part of one of England's oldest Royal Parks, located in the heart of London, one of the world's most fashionable cities. During the seventeenth century, London's royalty and nobility developed a passion for prestigious and luxurious gifts from around the world.

In 1664, the King of England, Charles II, received a magnificent gift of pelicans from the Russian Ambassador, and chose Duck Island as their home. The pelicans were regarded as one of the most exclusive and fabulously expensive presents then imaginable. And after all, what do you give a king who has everything?

IN 1734, AT THE HEIGHT
OF ITS INTERNATIONAL
FAME AND SOPHISTICATION,
DUCK ISLAND WAS
DESCRIBED AS “*ONE OF THE
MOST ENCHANTING SUMMER
RETREATS IMAGINABLE...
A PARADISE IN MINIATURE.*”

LIFE'S LITTLE LUXURY™

It is because in their time pelicans were the ultimate, sophisticated and prestigious gift, that we were inspired to use the pelican as our motif. So all Duck Island products proudly and boldly display the pelican.

In the same way that King Charles II was the recipient of the very luxurious, your guests can now appreciate the delights of Duck Island toiletries and enter a *paradise in miniature™*.

EXCEED YOUR GUESTS' EXPECTATIONS
AND ENSURE THEY FEEL TRULY
SPOILED WITH DUCK ISLAND'S

Stylish bottles include the iconic Duck Island pelican motif and clear product labelling. 30ml bottles, with their distinctive fluted caps, feature our unique '*easey-gripp*'™ ergonomic design to ensure that bottle caps are easy to unscrew, even with wet hands. All 250ml bottles have an integral pump to enable appropriate volumes to be dispensed as guests require. What's more, they are refillable and can be used again and again.
